

Internet Wireless Access for Fourteenth Marcel Grossmann Meeting

Wi-Fi connectivity

Participants registered to the MG14 will have the possibility to get connected to Internet through the Wi-Fi network of the Roma Universities “Sapienza”.

On arrival every participant will receive a username and password that could be used for Wi-Fi connection. The authentication will be done using a Wi-Fi captive portale of the host university

How to connect

1. Make sure your network adapter is set to ‘DHCP - Obtain an IP address Automatically’;
2. Connect to SSID: sapienza
3. Open your web browser, you'll be redirect to a captive page;
4. Enter your username and password in the spaces provided
(you can request credentials ONLY here: http://mg14reg.icra.it/MG14/internet_form.htm)

Availability

Wi-Fi Internet access is available for all days event, wherever the SSID “sapienza” is available

Responsibility

This service is provided as-is. All network access is monitored and logged. Any unauthorized access or illegal activity will result in account closure and will be reported to the appropriate university staff or the legal authority. University networking staff reserves the right to disable any attendees account at any time and without notice.
