16th Marcel Grossmann meeting

Submission of the contribution to the e-proceedings

Paper template

In preparing your paper please use the World Scientific conference proceedings template which can be found here: http://www.icra.it/mg/mg16/doc/ws-procs961x669_2e.zip

If you are a plenary speaker and intend to submit your paper in IJMPD journal please use instead this template: http://www.icra.it/mg/mg16/doc/ijmpd-2e.zip

Submission

The link of your abstracts accepted to the meeting can be found here:
https://indico.icranet.org/event/1/contributions/mine

For each contribution: click on the title to see the details. In the bottom of the page you will see the button "Submit paper". Click on this button. A window will appear which will allow you to upload pdf file of your paper together with zip archive which contains the LaTeX source files for the paper. Drag and drop your files and click "Submit".

Paper review and possible revisions

Contributions to the proceedings of MG16 will be reviewed by the chairpersons of your session and recommended for acceptance or rejection. In addition, the chairpersons could request changes in your paper. In the latter case please submit the revision following the steps above.

The organizers of MG16
